***Re: Filing Error in Docket 95-116  
DA 05-463***

Dear Ms. Dortch:

On Friday, April 8, 2005, the California Public Utilities Commission (CPUC) submitted, via the FCC's Electronic Comment Filing System (ECFS), Reply Comments in response to a Public Notice issued February 22, 2005. The Public Notice sought comments on DA 05-463, in Docket 95-116. The CPUC intended to file a document entitled "Reply Comments of the California Public Utilities Commission and the People of the State of California to Petitions of SBC for Forbearance and for Waiver". The CPUC appended three attachments to the pleading.

Unfortunately, because of a clerical error in the filing process, the CPUC inadvertently submitted a document entitled "Reply Comments of the California Public Utilities Commission and the People of the State of California, but the pleading had previously been filed in a different proceeding, FCC Docket 02-33. Consequently, today we have re-filed the Reply Comments in Docket 95-116, with the three attachments. We apologize for any confusion this error may have caused.

We have discovered that the incorrect pleading, as filed on Friday, has been posted in the FCC's ECFS. We ask that the correct filing, submitted today, April 11, 2005, be substituted in the ECFS for the wrong filing submitted on April 8<sup>th</sup>.

Thank you for your assistance in making this correction..

Sincerely,

/s/ HELEN M. MICKIEWIC
